Hi!

We wanted to let you know about the following webinar. Drs. Horton and Ausbrooks agreed to visit the EPA Reg 6 office the day before the NAS Induced Seismicity meeting and present their data. Reg 6 will be hosting the webinar. If you're interested in attending, please send Nancy Dorsey (dorsey.nancy@epa.gov) an email so she can send you the URL for the webinar.

Note the webinar is at 2 pm central time.

Thanks,

Jill Dean
Physical Scientist

Subject: EPA National Technical Workgroup UIC Seismicity Project

Dr. Horton and Dr. Ausbrooks will be in town for the National Academy of Science Committee on Induced Seismicity Potential in Energy Technologies meeting next week. They have offered to give the presentation to our Technical Workgroup via webinar then stay for informal discussions. We will be sending out the webinar URL soon, to allow the TWG and select State folks to participate. It will be held September 15 at 2 PM. Doug you are welcome to come over to our office, if you are still in town.

Sincerely,
Nancy
